## STRIKE AT AN END.

Basis on Which the Settlement Was Reached is a Victory For the Company.

## TRAFFIC RESUMES WEDNESDAY.

The Wage Scale is to Be Arbitrated According to the Wages Paid Outside of Chicago.

Only Concession Made By Company Was An Agreement to Reinstate All Strikers Except Those Who Resorted to Violence.

Chicago, Nov. 25.—The strike of the employees of the Chicago City Street Railway Co. was settled at an early hour Wednesday morning at a conference between the mayor and the aldermanic peace committee, President Hamilton and E. R. Bliss, counsel for the company, and the executive board of the local union of the strikers. The basis on which the settlement was reached is a complete victory for the company as far as the original demands of the men are concerned. This agreement reached will be ratified at a meeting of the men at 8 o'clock Wednesday morning and it is expected that traffic on all the lines of the company will be resumed Wednesday.

The only important concession made by the company was an agreement to reinstate all the strikers, including the outside unions who went out in sympathy with the trainmen, with the exception of those who resorted to violence during the trouble. The arbitration of the wage scale is to be according to the wages paid outside Chicago, and not on the basis of the local street railways. These are the two points that have been the stumbling block to a peaceable adjustment of the strike for the past week. The company has insisted that it pays higher wages than any similar corporation in the country. The men were fearful that the arbitration on the scale paid in other cities would decrease their wages and they fought stubbornly for their point.

Ever since the inauguration of the strike, 13 days ago, the company has been gradually gaining the upper hand of the men. Under police protection traffic was opened on the Wentworth avenue branch of the system 24 hours after the strike was declared, and the service has been gradually increased ever since. On the third day of the strike another trunk line was opened for the patronage of the public and since that time three other important branches have been put in operation, making a total of five lines that had been operated with non-union crews while the strike was on.

## THE MOLDERS' STRIKE.

The Trouble Culminated in the Shooting of a Union Man.

Moline, Ill., Nov. 25.—Trouble which had been brewing since the molders went on strike last May culminated Tuesday night in the shooting of Geo. Claussenn, a union molder. Two special police, John and George Leasure, were escorting three non-union molders to their boarding house and were followed by a crowd of union molders. Several shots were fired and Claussenn fell, shot through the groin. Leasure is held pending a hearing, but denies the shooting. Claussenn is in a hospital and his recovery is doubtful.

## TELEGRAPHIC APPARATUS.

New Instrument Sends 2,000 Words Per Minute For Long Distances.

Berlin, Nov. 25.—Wilhelm von Siemens, of the Siemens-Halske Co., exhibited before an audience of postal and telegraph experts a new telegraphic apparatus on which he and Dr. Franko, Dr. Thomas and Dr. Ehrhardt have been working for several years. Perforated paper ribbon is used in the apparatus, and the experiments show that the instrument sends 2,000 words per minute for long distances. The message is received on a strip of sensitized paper, which emerges with the letters fully developed. The post office authorities have also made experiments with Poulsen's telegraph, which combines the use of the ordinary telephone with the telegraph instrument.

Frankfort, Ky., Nov. 25.—Gov. Beckham Tuesday appointed R. C. Simmons, of Covington, as special circuit judge of the Boone county circuit court to try the case of Charles Roberts against Clore and others.

## CAPT. NORTON'S ESTATE.

Agreement Reached Between Attorneys For the Legatees.

Louisville, Ky., Nov. 25.—By an agreement reached Tuesday between attorneys representing the legatees the estate of the late Capt. W. F. Norton will be divided according to the law of California. Capt. Norton before his death became a citizen of California, and his will was drawn there. By his will nearly the whole of the estate was left to the Baptist orphans' home of this city. The point was raised that the California law prohibited the distribution of more than one-third of a testator's estate among charitable institutions. The attorney for the Baptist orphans' home admitted at the conference Tuesday that the California statute governed. The orphans' home will accordingly receive but \$120,000 instead of \$400,000, as the will devised. The remainder will be divided among Capt. Norton's next of kin.

## FOUND FOUR SKELETONS.

They Were Lying Side By Side A Few Feet Below the Surface.

Petersburg, Ky., Nov. 25.—Workmen removing the floor of Ruth & Son's warehouse, for the purpose of digging a cellar, came across four skeletons, lying side by side, a few feet below the surface of the ground. They were carefully removed to the sidewalk, and were there viewed by hundreds of persons. It is not known what disposition the authorities will make of the remains. The oldest inhabitant does not remember of any murders or mysterious disappearances, and the only solution of the mystery is that they are the remains of Indians.

## AUDITORIUM PROPERTY.

Unsuccessful Effort to Place the Coliseum Upon the Site.

Louisville, Ky., Nov. 25.—Brent Altheier Tuesday transferred back to the executors of Capt. W. F. Norton the Auditorium property for the consideration of \$1. This is the last step in winding up the unsuccessful effort to place the Coliseum upon the site of the Auditorium at Fourth avenue and Hill street, and is believed to preclude any possibility of Louisville making a bid for either of the national conventions.

Fulton, Ky., Nov. 25.—Stephen Gammon, a weak-minded farmer, died of paralysis, caused by drinking a quart of whisky. ## TOOK REFUGE ON A GERMAN SHIP.

The Insurgents Refused to Accept the Terms Offered By the Ministers of the United States, Belgium, Hayti and Spain.

Washington, Nov. 25.—In a cablegram received here Tuesday from Minister Powell, dated Santo Domingo, November 23, he announces that the president of San Domingo has agreed to surrender the city to the revolutionists. The articles of capitulation are being drawn up. The surrender, the cablegram said, will occur Tuesday.

Cape Haytien, Nov. 25.—Dispatches received here from Puerto Plata say that the city of San Domingo was surrendered to the revolutionists Tuesday morning, and that President Wos y Gil and his ministers took refuge on board a German warship. The dispatches further say that great enthusiasm prevails throughout the country.

United States Minister Powell informed the revolutionary chiefs that periodical revolutions ought to cease, because they interrupted commercial relations with other countries and augmented the debt of Santo Domingo, which was without means to pay foreign creditors. The minister said further that these periodical revolutions endangered the peace of his government and of the governments of other nations, and that the present revolution if continued, would imperil the sovereignty of Santo Domingo.

## WITHOUT FOUNDATION.

## IN THE SENATE.

Panama Canal Question Was Again the Leading Topic.

Washington, Nov. 25.—Senate.—The Panama canal question was again the leading topic under consideration by the senate Tuesday, and Mr. Morgan was again the speaker of the day. He continued his review of the history of the efforts to secure an isthmian canal and declared that to the president's ambition to secure the credit of a unique administration must be credited the favoritism manifested by him toward the Panama route. He asserted that President McKinley had favored the Nicaraguan line, and this statement was challenged by Mr. Hanna, who said he knew of his own personal knowledge that Mr. McKinley had urged the most careful investigation after he had learned that the Panama canal property was available. The question of committee assignments was again postponed as was also the motion to reconsider the vote on the Newlands joint resolution concerning the annexation of Cuba.

## ALIENATED AFFECTIONS.

Mrs. Everett Mallory Culver Sued For \$500,000 Damages.

Vlasto, of this city, began suit in the supreme court for \$500,000. The papers were served on the defendant at her residence in this city. Mrs. Culver, a daughter of Senator William A. Clark, of Montana, is already in the public eye because of her divorce suit instituted against her husband. Mr. Vlasto is a well known Greek and proprietor of the Greek newspaper, Atlantis. Mrs. Vlasto says her husband's friendship for the Culver family brought about her separation from him in 1901.

## THE GAS EXPLODED

Thirteen Miners Killed and Great Damage Done to a Coal Shaft in Arkansas.

## ONLY SIX VICTIMS RECOVERED.

The Force of the Explosion Was Terrific and Timbers Were Torn From the Walls.

This So Completely Obstructed the Passage That Work of Rescuing the Entombed Men Was Tedious and Difficult.

Fort Smith, Ark., Nov. 25.—Thirteen miners were killed and great damage was done by an accidental explosion of gas Tuesday afternoon in coal mine No. 20, at Bonanza, Ark., 12 miles from this city. At nightfall only six of the victims had been recovered.

The explosion occurred at 1 o'clock Tuesday afternoon. There were about 175 men in the various shafts at the time. All escaped without injury except 13, who were employed in entry "K," the scene of the explosion. The force of the explosion was terrific and timbers were torn from the walls of the passages for several hundred yards at the mouth of entry "K." The passages were so completely obstructed that the work of rescuing the entombed men was tedious in the extreme and several hours were consumed before the first body was found.

It is thought that the gas was accidentally ignited by a miner's lamp. The miners who escaped, with the aid of others summoned from nearby shafts, immediately set about clearing the passages in the hope that some of the 13 entombed might have survived the explosion.

By nightfall six bodies had been recovered and the rescue work was still in progress. It is now considered certain that all of the entombed men have perished.

## CAR BARN MURDERS.

The Mystery of the Hold-Up Cleared By a Confession.

Chicago, Nov. 25.—The mystery surrounding the hold-up of the cashier's office of the Chicago City railway last August, during which two of the employees of the office were shot and killed without warning, was cleared up Tuesday by the confession of Gustave Marks, who was arrested last Saturday night for the murder of Detective John Quinn, whom Marks shot down while trying to escape arrest.

Harvey Van Dine and Peter Neldemeier are named by Marks as his accomplices in the car barn murders. According to Marks' story the three men went to the office of the railroad company for the purpose of robbery. Marks says that when he ordered the men to throw up their hands they obeyed, but Neldemeier burst in the window of the office and commenced shooting. Van Dine then broke down the door with a sledge hammer, Marks says, and went in the office and took all the money he could find. In all \$2,250 was secured and Marks says the money was evenly divided among the three men. The next day Marks and his two companions went to Denver, Col., where they remained but a short time. From Denver they went to Clippie Creek and in a week they came back to Chicago, since when, according to Marks' confession, they have been implicated in a number of hold-ups and shooting affairs.

Marks confessed Tuesday night to Assistant Chief of Police Schuetter that in addition to the two murders at the car barns he had been connected with four other murders since that time. All of these crimes were similar in character to the killing in the barn, being the robbing and shooting of men on the street and in saloons.

The 32,000 cotton mill hands of New England whose wages were reduced this week can be thankful it's no worse.

Hogs, cattle and sheep are bringing much less than a year ago, but the reduction in prices is not very noticeable yet in the meat shops.

It's expensive! To date the smallpox epidemic in Wayne County, West Virginia, has cost \$20,000, with more cases now than ever before. The county officials have levied a pro rata part of the expense on the towns of Ceredo and Kenova but the authorities of these cities have refused to pay.

The wages of 32,000 cotton mill operators in New England were reduced 10 per cent. this week. If there was a Democratic President in the White House, our neighbor, the Public Ledger, would charge this reduction up to the administration. According to his line of argument, the Republicans are responsible for the reduction.

Mr. Hickey believes that in this version of "Macbeth," his star has a medium that is even better than was "Faust." "Macbeth" will be presented Thanksgiving evening, Nov. 26th, at the opera house. Prices of admission will be 25 cents to \$1. Seats on sale at Ray's drug store.

The marriage of Miss Dora Rensker and Mr. Burdette Walton will be solemnized at the home of Mr. T. M. Dora Wednesday at noon.

Girls' and boys' rally day will be held at the Christian Church Sunday evening, Nov. 29th.

The crowning event of the season was the marriage of Mr. Fleming Wilson and Miss Beale Gallagher which took place at the bride's home Wednesday evening at 8 o'clock. The scene was as pretty as the imagination could have fancied it. The room was beautifully decorated (the work of those most interested in the young couple) with a profusion of foliage beauty, made more attractive by an abundance of chrysanthemums, of choice selections. The curtains everywhere were made verdant with vines entwining around and through them. After preaching service at the church, Rev. S. H. Politt repaired at once to the home of the bride where all was in readiness for the ceremony. To the sweet strains of the wedding march, played by Miss Jennie Tucker, the accomplished pianist, consuls of the bride, the bridal train wended their way to their position before the minister. Mr. Robert Tucker with Miss Hall first, then came the bridal pair, followed by Mr. Harry Tucker and Miss Hall.

The scene was one long to be remembered by those who were permitted to see. The groom in all his stalwartness looking proud, and doused in a becoming suit of black broadcloth; by his side the petite bride who never looked staidier. Her wedding gown was of white mirlatte cloth, fashioned in artistic style. Her figure was perfect, and her beauty of features was enhanced the more by the bridal veil which was three-quarter length. After a short, but very impressive ceremony by her pastor, one was made of the two who have lived side by side all their lives almost, and thus ended a love scene which was crowned in matrimony. May God's choicest blessings abide continually with them, and we trust their newly-made home will be a Christian home. After congratulations were extended, all repaired to the dining room, where they were refreshed with dainties fitting the occasion. The tables were decorated with the same taste that was evidenced in the affair from beginning to close. Music was rendered by several young ladies. The crowd was so great as to make it unpleasant for all, but the unpleasantness was overbalanced with a double portion of pleasure. The presents were numerous, handsome and useful, including much silver, china, linen and brie-a-brac. After bidding adieu to the bridal party, the guests retired to their homes, wishing many years of happiness and prosperity to Fleming and Bessie.

A cabin at the home of Mrs. Geo. Well was discovered on fire shortly after the Lashbrook fire Saturday morning, but was extinguished with little damage. The fire had been slowly smoldering since the day previous.

The frequent whistle of boats the last few days would indicate that the river is again in fine stage.

Many of the farmers took advantage of the cold spell the past week and killed their hogs, while those that did not are awaiting the return of the temperature.

Miss Emma Williams, whose illness developed into a severe case of typhoid pneumonia, is slightly better. Her physician states that the slightest relapse would prove fatal.

Mrs. Dora Sweet, who has been quite ill for several weeks, improves very slowly.

Mrs. Frankie Cooper, who is critically ill at the Grant home, was reported yesterday evening as doubtful of surviving the night.

Mrs. Anna Moore, of Fairmount, is visiting her sister, Mrs. Sweet, and will visit other relatives in this part of the county.

Reminiscences and incidents of the long by gone days were rehearsed and discussed by the quartette, many of them being laughable and amusing. An elegant supper was served by the hospitable hostess and daughter, Miss Pearl, consisting of oysters and home delicacies. The family were also surprised Monday by the arrival of their nephew, Elmer Reynolds, of Xenia, O.

# **Tailored SUITS**

## **FOR TWENTY WOMEN!**

The smallness of the number is principally the cause of the bargain. These stylish tailored suits have been picked from our regular stock because there are but one or two of a style and priced at

**\$15 Formerly \$17.50.**

Made in the most popular materials—tweeds, zibelines, chevlots and mixtures in a large assortment of colors. The jackets are in three-quarter length, blouse or coat style, some are strictly tailored, others show pretty touches of trimming. The skirts are unlined and in walking and full lengths. This is a bit of news that shou'd bring ten times as many women as there are suits. Better be prompt.

## **The Rust-Proof Warner.**

By virtue of their splendid lines, their durability, style and comfort the Warner Corsets have won an enviable train of admirers—women who simply won't wear any other corsets. Of course this simply confirms our judgment that no other domestic corsets are as good as the Warner Rust-proof—for which we are exclusive agents. Twelve different models—something to suit every figure. Prices 50c. to \$1½.

## A Xmas Rush In November!

We beg your pardon—you 100 people, or more, that could not be waited on last Saturday. We didn't expect this tidal wave so soon. Our business has been increasing rapidly all fall. October shows the largest sales of any month in the history of this store, and November is going to out-do October. Said a traveling man to us: "Why do you have a sale this time of the year?" We told him that we had no sale, it's our regular trade plus the new people that are finding us out. He was astonished for he said he had been in the other stores and there was "nothing doing." Rest assured that there is ALWAYS SOMETHING DOING HERE. We sell Outing Cloth at 10c.; so do the other stores, BUT compare the outing. We sell Hose at 10c.; so do other stores, BUT compare the hose. We sell Dress Goods at \$1 per yard; so do other stores, BUT compare the goods, and so on down the line and it's the BUT that brings the crowd. Will be in our new store shortly. More light, more room, more help—for us and you.

## HANDSOMELY ENTERTAINED.

'Squire and Mrs. Fred Dresel's Cozy New Home the Scene of a Pleasant Gathering Tuesday.

Tuesday was the thirty-first anniversary of the marriage of 'Squire and Mrs. F. Dresel, and it was made the occasion of a housewarming and dinner at their handsome new home on East Second street, just completed on the site of the residence destroyed by fire last spring. The new home is much larger, much more commodious and more conveniently arranged than the old one.

Upon this pleasant occasion the genial 'Squire and his good wife had as guests some twenty or twenty-five of their friends, including his associate members of the Fiscal Court, a number of other county officials, Commonwealth's Attorney Ed. Daum, together with a few other friends. The sumptuous spread was enjoyed by all. The guests united in wishing the host and hostess many more happy anniversaries of the marriage.

Mrs. Dresel was assisted by Mrs. E. J. Slattery and by her daughters and daughter-in-law.

The guests were Judge Newell, 'Squires Rice, Clark, Farrow, Thompson, Grant and Cochran, County Treasurer C. D. Pearce, Deputy Sheriff James Mackey, County Attorney O'Donnell, County Clerk Wood, Jailer Melvain, Turnpike Commissioners Smoot and Luttrell, Infirmary Physician Dr. J. H. Samuel, Commonwealth's Attorney Daum, and Messrs. N. S. Wood, Robt. Garrett and M. F. Marsh.

Miss Purnell is a daughter of Mr. John Hamplon Purnell, a former resident of Maysville, and an old schoolmate of Mr. Frank, and is a son of the late Armstead Purnell. The bride-to-be is a great-niece of the late Jacob Outten.

Mothers-in-law have been described by many writers in different phases. The musical comedy, "Peck and His Mother-in-Law Abroad," by Edgar Selden, will give you the proper idea how to manage them. At Washington Opera House next Monday evening, Nov. 30th. The Birmingham Age-Herald says: "Peck and His Mother-in-Law continue to keep the Bijou packed from pit to dome and it is deserving of its success. The comedy portion is wholesome, while the musical numbers are well rendered by a chorus of thirty beautiful girls."

Invitations have been issued for the "Cornfest" to-night to all members of Wyandotte Tribe and to other Indians residing within the city limits. A ticket has been furnished each one to be taken up at the door. All are requested to be at the St. Charles Hotel by 8 o'clock. Provision has been made for checking hats and overcoats. A full attendance of the membership requested, as a good time is in store for all. Mr. John I. Winter is expected to bring a supply of cough-drops and sound the "keynote" in his oratorical efforts on "The Sandwich Island Queen."

If you count price first we will count with you. If you count quality first we will interest you. Whatever you want and whatever price you want to pay you will get the best for the money from us.

For many years we have conscientiously labored to provide the highest class of clothing that is made for our patrons and to-day our community is one of the best dressed you will find anywhere. WE HAVE JUST MADE our people buy good clothing. The same holds good with all our other departments.

Our Shoe Department though only a few years old commands the patronage of the public. Why? Because our shoes are the very best that are made in the country. Said a shoe merchant some years ago, when asked why he did not provide better men's shoes for the Maysville trade, "Oh, we could probably sell two or three pairs of \$5 or \$6 shoes, and you know that wouldn't pay." To-day we sell as many \$5 and \$6 shoes as we sell of the \$3 quality. WE KNEW WHAT KIND OF SHOE PEOPLE WANT.

### ASK YOUR NEIGHBOR.

Hundreds of Maysville Citizens Can Tell You All About It.

Home endorsement, the public expression of Maysville people, should be evidence beyond dispute for every Maysville reader. Surely the experience of friends and neighbors, cheerfully given by them, will carry more weight than the utterances of strangers residing in far-away places. Read the following:

Mr. C. L. Hubbard, dairyman, of 325 West Third street, says: "I have the greatest faith in Doan's Kidney Pills. The use of less than one box ended a disturbed condition on the kidneys and an inflammation of the bladder. After some time it returned but in a lesser degree and I procured another box of Doan's Kidney Pills at J. Jas. Wood & Son's drug store. Use of it substantiated the opinion I had already formed of this effective preparation."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—DOAN'S—and take no substitute.
